

Custom House Poole - Brownsea Chamber - Poole

Just four, beautifully-crafted boutique king-size rooms created within the historic Custom House on Poole Quay. Each room offers spacious, airy accommodation with luxurious ensuite bathrooms, large walk-in showers and contemporary fittings. It's the perfect spot for enjoying Poole Quay and its many charming hostelrys and quality restaurants, and a fine base for exploring the Georgian Old Town, or enjoying ferry trips to Brownsea Island and Sandbanks from Poole Quay. Stroll along the water's edge and enjoy the wide-open spaces of Harbourside Park with panoramic views across Poole Harbour. A short walk in the opposite direction via the Old Lifting Bridge brings visitors to Hamworthy Park, with its charming sandy beach, café and children's recreation area. With so much to see and do, you are sure to return again and again!

'Brownsea' is an extremely spacious room which benefits from views of the harbour and period features including the old fireplace, with comfortable seating and a smart TV with freeview. Kingsize (5ft) bed, desk / dressing table, fitted wardrobe and ensuite bathroom with walk-in shower, sink, toilet, mirror and shaver point. Beds are made up with crisp white linen and fluffy white towels are provided. (The Brownsea Room may be occupied with a link to The Hawkhurst Room - great for families).

Custom House Poole guest rooms also enjoy exclusive access to a small private conservatory style seating area which overlooks the Quayside, where drinks can be ordered via an app from the ground floor restaurant and bar.
